

## Let All Things Now Living

Let all things now living  
a song of thanksgiving  
to God the Creator  
triumphantly raise,  
who fashioned and made us,  
protected and stayed us,  
who still guides us on  
to the end of our days.  
God's banners fly o'er us;  
God's light goes before us,  
a pillar of fire  
shining forth in the night,  
till shadows have vanished  
and darkness is banished,  
as forward we travel  
from light into light.

The law God enforces,  
the stars in their courses  
and sun in its orbit obediently shine;  
the hills and the mountains,  
the rivers and fountains,  
the deeps of the ocean  
proclaim the Divine.  
We, too, should be voicing  
our love and rejoicing;  
with glad adoration  
a song let us raise,  
till all things now living  
unite in thanksgiving:  
To God in the highest  
hosanna and praise!

## Creation Sings

Creation sings! And we are in the music,  
the movement of God's energy and art  
A liturgy that links our life to angels,  
A litany that rises from the heart.

The Spirit sings! Through love and  
lamentation,  
from Pentecost to joy of Easter Day  
the universe is resonant with music,  
the smallest creature dances to its play.

Creation groans! At our discordant clashing:  
the Spirit comes with music as our friend  
to bring the harmony of peace and beauty,  
to teach the textures of the way to blend.

O God, you draw the melody from silence,  
you make of us the instruments of song!  
We offer thanks in worship and in wonder  
that such a gift to human souls belong.
