

The church is now open for in person worship.

Here's what to expect if you join us Sunday mornings:

- All doors will be propped open
- Masks will be available if you don't have your own, you can leave them at the church and they will be laundered before next week.
- There will be no coffee fellowship time
- You will be asked to immediately take your seat
- Social distancing will be maintained
- If you choose to not wear a mask, you will be seated in the fellowship hall
- There will be no touching of common items: offering plate, hymnals, Bibles, etc
- Ushers will dismiss family groups following the service to avoid bottlenecks at the door

Or, you can continue to worship from home.

- Our livestream will continue at our FaceBook page at 9:30am at <https://www.facebook.com/fumcmillersd/> with the videos later being posted to YouTube and our website.
- We will also continue to have the dial in and listen to church option. Simply call **1-312-626-6799** and enter **meeting id#: 493 057 9363#** .

1. We ask that if you do come to worship at the church building that you follow the guidelines that we have set forth. This is for everyone's safety, and it is a way of loving your neighbors as yourselves.
2. To date the costs associated with COVID-19 have been \$1,345.55 above and beyond what we had budgeted for this year, and we do not yet have all expenses accounted for.
3. Your support during these last months has been incredible. Please continue to support the work of your church by your prayers, your gifts, your service, your presence (either live or on line) and your witness.
4. Bulletins will no longer be sent by mail. They will still be emailed, there will be some in the church entry for those who worship at home, and they will be placed in the sanctuary and fellowship hall no later than Thursday.
