

Miller UMC: In-Person Worship Survey

We are making plans to potentially resume in-person worship, while still continuing to live stream online, beginning on July 12th. As we develop our plans, the Administrative Council and the Worship Committee would appreciate hearing from you as we seek to make these decisions regarding our worship services. This survey will close on July 5th, please submit your responses by then.

- Yes
- No
- No, but I care for individuals who are vulnerable so I must take precautions
- Not sure

*3. In addition to providing hand sanitizer and increasing our ongoing cleaning and sanitizing of high touch areas the following are very important to me to help ensure safety when we open: (check all that apply)

- Providing socially distanced seating in the sanctuary
- Encouraging everyone to wear masks/provide seating in the fellowship hall for those not wearing masks
- Ushers wearing masks

*4. The best medical advice right now suggests that people in public spaces should wear masks (except children under 2 years of age) to help reduce the spread of the virus. How would you feel about having separate seating options for those in masks and those not wearing masks?

- I will wear one and have my own
- I will wear one if the church provides it
- I will not wear a mask and am willing to sit in the fellowship hall
- I will continue to worship on-line
- I will not attend if some are not wearing masks

*5. The best medical advice right now suggests that it is not safe to have the congregation sing or pray out loud. How do you feel about that?

- I understand worship will not be able to be the same right now, and I support this effort.
- I would continue to worship on-line until we can sing and pray out loud
- Not sure
- Other (please specify)

*6. If we do resume worship in the church building with safety precautions will you....

- Keep worshipping on-line for now
- Come to worship at church

8. Do you have any other questions, concerns, or comments?

*9. Your name

Please fill out this survey and return it to the church by **July 5th**.

We want to hear from as much of the congregation as possible, as we seek to make decisions about how we move forward with worship services.

Thank you so much for taking the time to complete the survey. We want all voices to be heard.
